A wide-angle photograph of a modern living room. The floor is made of light-colored wood with a natural grain. In the center, there is a light grey sofa with dark wood legs. To the right, a white staircase with a dark wood handrail leads up. A child is sitting on the floor to the right, reading a book. There are three white feathers scattered on the floor in the foreground. The walls are white with vertical wood slats. A large window on the right shows a green landscape. The text "velvet finish" is written in a large, black, serif font at the bottom of the image.

# velvet finish

Have you ever seen an awakening forest?  
After de dark night, everything changes and  
shines like magic in the morning.

The mist in the air softens the atmosphere,  
almost like you could touch it, like it's velvet.

¿Alguna vez has visto un bosque que  
despierta?  
Después de la noche oscura, todo cambia y  
brilla como magia por la mañana.

La niebla en el aire suaviza la atmósfera,  
casi como si pudieras tocarlo, como si fuera  
terciopelo.

A collection conceived to bring warmth and comfort to living spaces of all kinds, while also adding a select touch of sophistication.

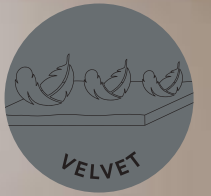

De la constante búsqueda por la innovación, nace Mist, madera de roble natural con una estética atemporal y de lo más sofisticada.

En formato 24x151cm, y con dos acabados Shaped y Velvet. Este último representa la versión más suave y natural conocida hasta el momento en superficie cerámica. Su gama cromática se compone de 5 tonos cálidos: Maple, Dune, Honey, Kalua y Hazel.

Sin duda, la opción acertada para aportar calidez y comodidad a cualquier espacio sin renunciar a un estilo premium.
