roberto cavalli

HOME

LUXURY TILES

A photograph of a man's muscular back and arms against a wall of vertical wooden planks. The man's skin is dark and glistening, highlighting his physique. The wooden planks are arranged vertically, creating a textured, natural background. The lighting is dramatic, casting shadows that emphasize the contours of the man's body and the grain of the wood.

THE WILD SPIRIT

UNITED STATES OF CAVALLI

The "United States of Cavalli" flag - universal symbol of a new cultural and aesthetic synonymous with differences, inclusiveness, freedom, pride, beauty and wild passion. Like an heraldry pop icon.

THE WILD SPIRIT, in fact, is meant to be a wild urban celebration of maximum freedom of expression, as the installation "United States of Cavalli" concept created by the designer Fausto Puglisi represents, and whose flag is a take on that of the US, in which the stars are replaced by jaguar spots and the stripes by a zebra pattern in sepia tones.

La bandiera "Stati Uniti di Cavalli" - simbolo universale di una nuova estetica fatta di diversità, inclusività, libertà, fierezza, bellezza e passione selvaggia. Come un'icona araldica popolare.

THE WILD SPIRIT vuole essere in effetti una selvaggia celebrazione urbana della massima libertà di espressione, come l'idea del montaggio "Stati Uniti di Cavalli" ideato dallo stilista Fausto Puglisi rappresenta, con la bandiera che diventa una versione di quella degli Stati Uniti d'America in cui le stelle sono sostituite da macchie di giaguaro e le strisce da un manto zebrato nei toni del seppia.

THE WILD SPIRIT

The Wild Spirit is the new lifestyle ceramic project by Roberto Cavalli Home Luxury Tiles.

A mix of combining elements with a composite and eclectic soul that blends Roberto Cavalli DNA's typical energetic sensuality with the luxury of sophisticated and sought-after essences, and with Italian excellence.

Final result is a unique, eccentric, exuberant and strongly urban influenced collection made by iconic pieces that match together for creating unconventional and exclusive ambiances.

The Wild Spirit è il nuovo progetto di lifestyle ceramico di Roberto Cavalli Home Luxury Tiles.

Un mix di elementi dallo spirito composito ed eclettico che si combinano mescolando la sensualità energetica tipica del DNA Roberto Cavalli con il lusso di essenze sofisticate e ricercate, e con l'eccellenza italiana.

Il risultato finale è una collezione unica, eccentrica, esuberante e dalla forte influenza urbana composta da pezzi iconici che si abbinano insieme per creare ambienti esclusivi e non convenzionali.

UNCONVENTIONAL LUXURY

“Animal prints, neutral and black hues, no primary colors”. (Fausto Puglisi)

An inexorable passion for the wildest forms of nature, associated with an unprecedented and emphatically rebellious rock spirit, defines the expressive codes of the brand new ceramic interior collection by Roberto Cavalli Home Luxury Tiles: **THE WILD SPIRIT**.

This very first totally Cavalli’s lifestyle project enhances the bold and impacting style of the artistic line adopted for the **Collezione Zero** of the maison by Fausto Puglisi, the fashion house’s creative consultant and head of global design.

“Stampe animalier, nuance neutre e nero, nessun colore primario”. (Fausto Puglisi)

L’inesauribile passione per la natura più selvaggia, associata ad un inedito e marcato spirito rock ribelle, definisce i codici espressivi della nuova collezione ceramica di interior firmata **Roberto Cavalli** Home Luxury Tiles: **THE WILD SPIRIT**.

Questo primissimo progetto di vero e proprio Cavalli lifestyle abbraccia lo stile audace e graffiante della linea creativa adottata per la **Collezione Zero** della maison da **Fausto Puglisi**, consulente creativo e responsabile della visione globale del design della casa di moda.
