

# I Legni

I colori, le forme, le superfici affiorano durante la cottura e come nelle antiche botteghe dei vasai rivive la tradizione decorativa della ceramica.

Colours, shapes and surfaces come to light during cooking and similar to the antique shops of potters revive the tradition of decorative ceramic.

Les couleurs, les formes, les surfaces émergent pendant la cuisson et la tradition de la céramique décorative revit, comme jadis dans les anciens ateliers des potiers

Die Farben, die Formen, die Oberflächen tauchen während des Brandverfahrens wieder auf und die Tradition der Dekorationskeramik lebt weiter, wie einst in den Werkstätten der alten Töpfer.

Цвета, формы, поверхности расцветают в процессе обжига также как и в старинных гончарных лавках возрождается традиция декорирования керамики

La Serie è prodotta in gres fine porcellanato ed è proposta in tre classiche sfumature di legni pregiati: Castagno, Ciliegio, Ebano. Oltre al formato 34x34cm sono inoltre disponibili multiformati dove le tre colorazioni si fondono in un'unica armonia di toni. La vasta proposta decorativa comprende motivi decorativi classici rinascimentali e barocchi.

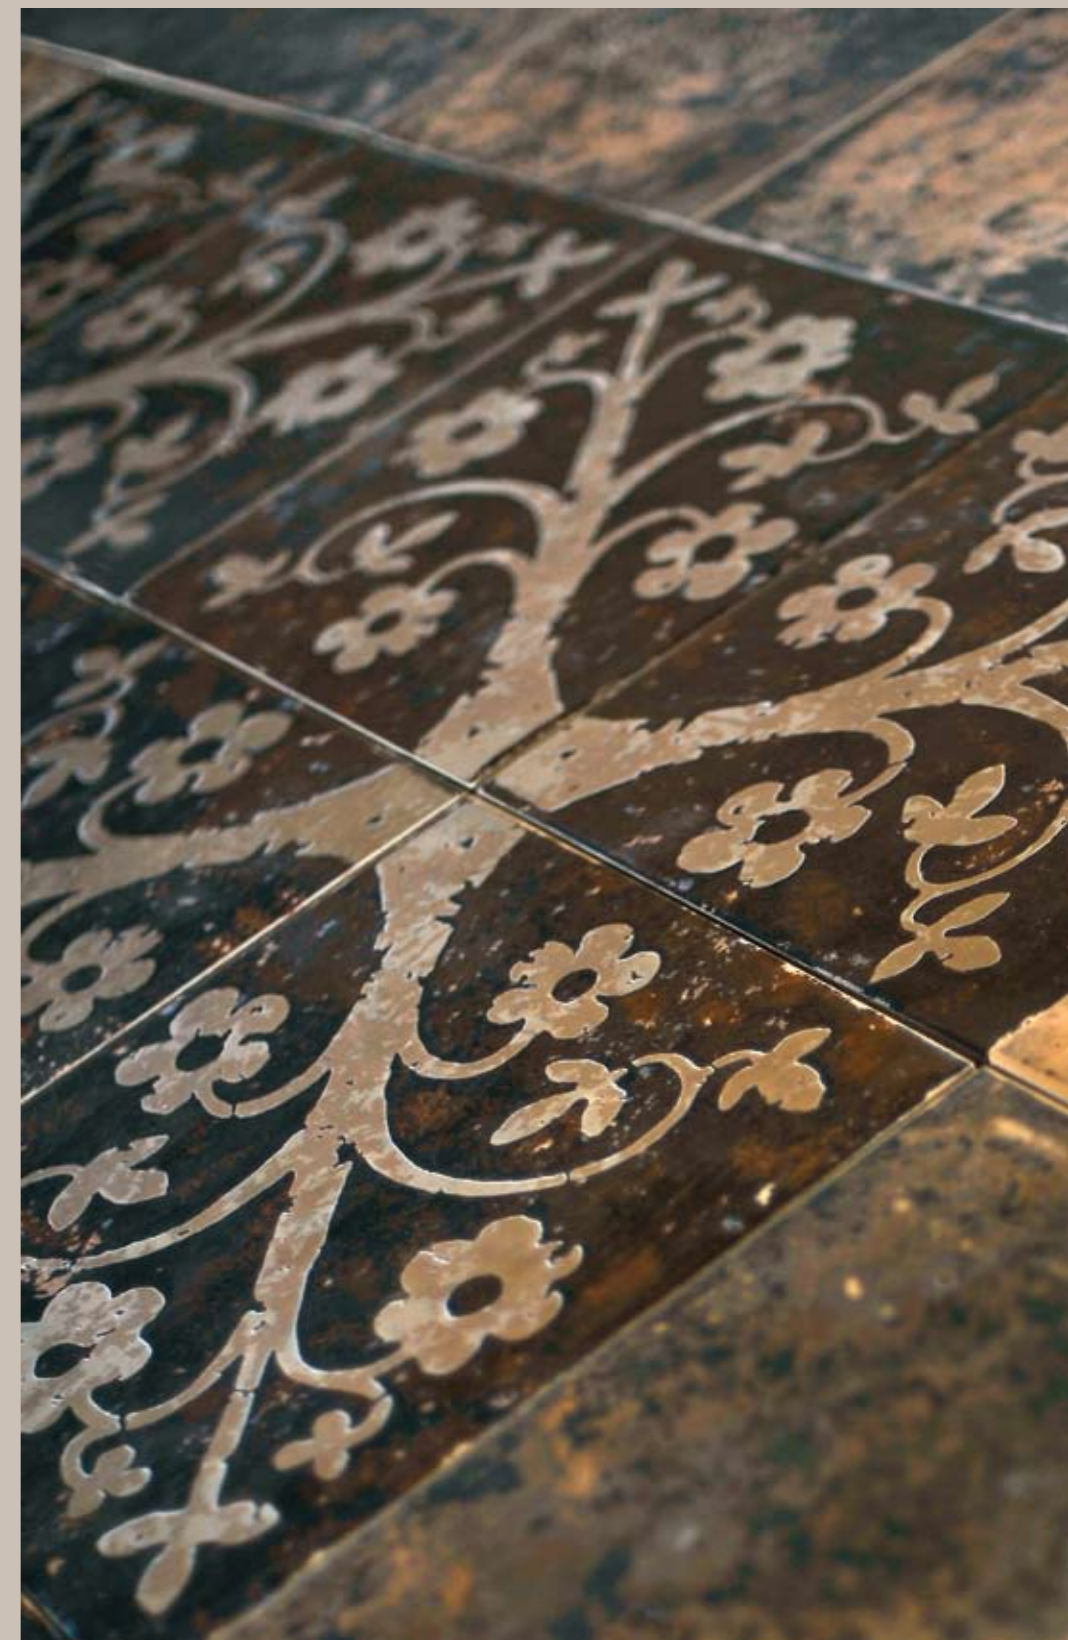

Series is produced in fine porcelain tile and is available in three classical shades of precious woods: chestnut, cherry, ebony. In addition to 34x34cm size, many other different sizes are also available, where the three colours combined together merge into a harmony of tones. The wide range of decors includes decorative motifs inspired by Classical, Renaissance and Baroque Art.

Die Kollektion wird in Feinsteinzeug hergestellt und besteht aus drei Farben im Format 34x34, welche die klassischen Tönungen wertvoller Holzarten übernehmen: Kastanien-, Kirsch-, Ebenholz. Etliche weiteren Formate sind erhältlich, wobei die drei Farben gemischt verpackt werden und somit ein harmonisches Nuancenspiel bieten. Die Serie ist durch mehrere Dekore ergänzt, welche klassische Motive aus der Renaissance und der Barockzeit nachahmen

Cette collection en grès cérame propose trois couleurs en format 34x34, qui reprennent les nuances classiques du bois de qualité, tel que le châtaignier, le cerisier, l'ébène. Elle comprend plusieurs autres formats où les trois couleurs sont livrées panachées dans les boîtes, se mariant dans une harmonie de nuances unique. La série est complétée par une vaste proposition de décors qui s'inspirent des décorations classiques de la Renaissance et du Baroque.

Коллекция производится из керамогранита и предлагается в трёх классических цветах характерных для дерева: Castagno (Каштан), Ciliegio (Черешня), Ebano (Чёрное дерево). Помимо формата 34x34 производятся мультiformаты, где все три цвета сливаются в один гармоничный тон. Многочисленные декоры созданы в духе классических мотивов эпохи Возрождения и Барокко.
